

Canvas: Access and Use SpeedGrader Comment Library

Table of Contents

Table of Contents..... 1

A. Accessing the SpeedGrader Comment Library 1

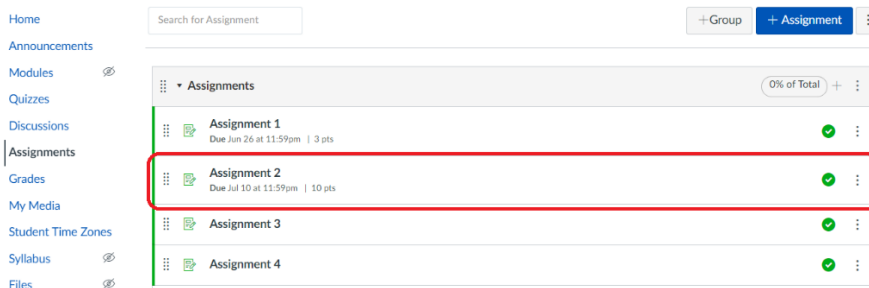

B. Modifying SpeedGrader Comment Library..... 4

Instructors can set up comment libraries in SpeedGrader to efficiently give students feedback from a pre-made set of comments.

A. Accessing the SpeedGrader Comment Library

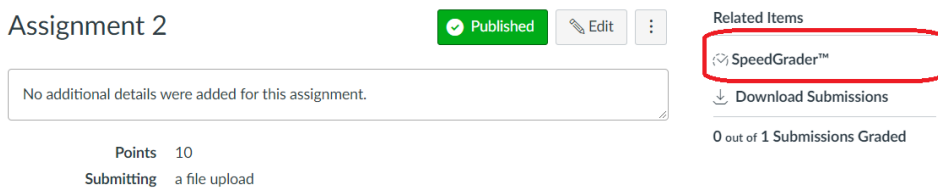

1. Access Assignment

Travel to the Assignments module and select the assignment you wish to view and comment on.

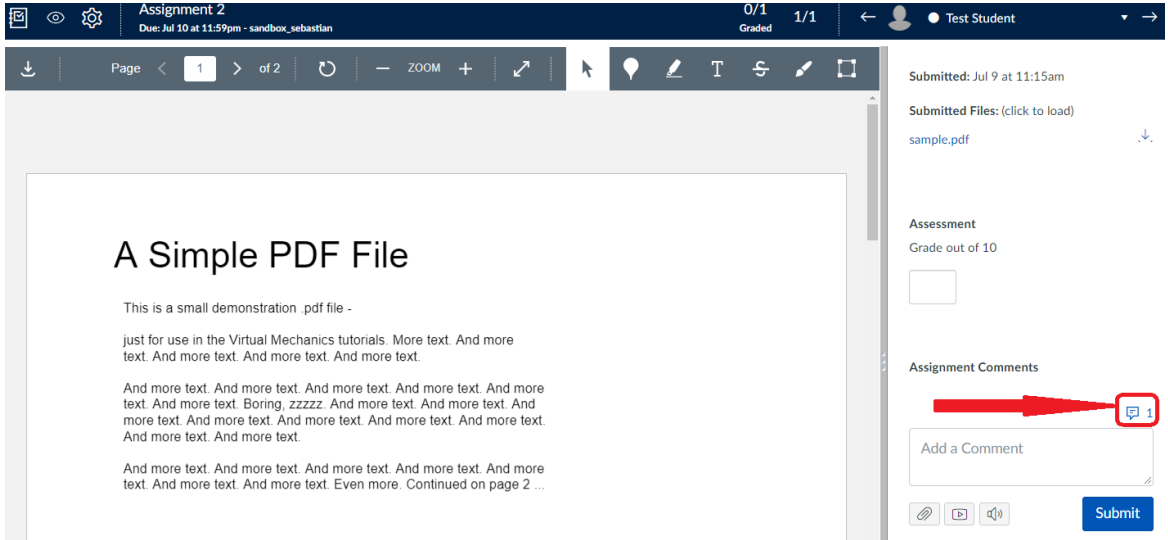

2. Open SpeedGrader

While in the assignment, select the **SpeedGrader** option.

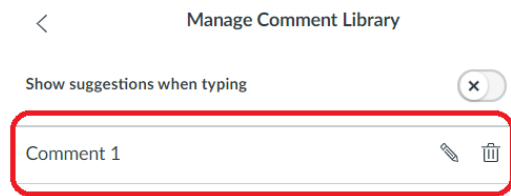

3. Access the Comments Library

Click the speech bubble icon below and to the right of **Assignment Comments** to access the comment library.

4. View Comment Library

The **Comment Library** is now available. Select comment you wish to use.

Add comment to library

5. Submit Comment

Click the **Submit** button. The comment will appear submitted.
